Quality you can trust

## GREE GENERAL PURPOSE SILICONE SEALANT

R-8055

GREE GP silicone sealant is a versatile and reliable adhesive that provides a long-lasting seal for a variety of applications. This high-quality sealant is specially designed to offer excellent adhesion to a wide range of materials.

- Sealing of ducts and cabinets in HVAC
- Glazing and connection joints
- Aquariums and glass cabinets
- Sealing gaps in windows, frames and glasses

### Colours Available:

Clear, White, Black, Grey

25 Pcs  
Box 280ml

## GREE NEUTRAL SILICONE SEALANT - N9<sup>+</sup>

R-7085

GREE N9+ silicone sealant is a high-quality, multipurpose adhesive that provides a long-lasting seal for a wide range of applications. Neutral cure silicone sealant is specially designed to cure without releasing acetic acid.

- Bond mirrors
- Seal around kitchen fittings like sinks
- Seal around baths, showers and sanitary accessories
- Glazing and weather sealing between doors, windows and frames

### Colours Available:

Clear, White, Black, Grey

25 Pcs  
Box 300ml

## GREE WEATHER PROOF SILICONE SEALANT

R-8001

GREE WP PRO silicone sealant is a high-quality one part neutral sealant. WP PRO offers excellent adhesion to glass, metal, stone etc. ensuring a strong and durable bond that will last for many years. It's waterproof and weather-resistant formula ensures that it can withstand any environmental conditions, making it ideal for outdoor use.

- Aluminium curtain wall and panel joints
- Stones and ceramics
- Glazing panels and outdoor glasses

### Colours Available:

Clear, White, Black, Grey

25 Pcs  
Box 300ml

## GREE ACRYLIC PAINTABLE SEALANT

R-5679

GREE AP 5679 is a high-quality, plasto-elastic one-component joint sealant based on acrylic dispersions. It forms a tough, flexible, resilient bond to all building material surfaces. It has excellent resistance to water, weathering, and moisture vapour.

- Fills cracks and holes before painting
- Sealing around plasterboard
- Sealing around window and door frames
- Sealing between light partition walls
- Sealing low movement joints

### Colours Available:

25 Pcs  
Box 450g

## GREE NAIL FREE GLUE

R-918

GREE R918 Nail Free glue is high quality multi-purpose construction adhesive that provides instant grab bond to variety of surfaces like wood, metal, plastic, etc. Its unique formula creates a strong and durable bond.

- Bonding panels and skirtings
- Kitchen and bathroom accessories
- Bond mirrors
- Metals and signages
- Granites and ceramic tiles

### Colours Available:

Beige

25 Pcs  
Box 300ml

## GREE POLYURETHANE SEALANT

PU-45

GREE PU 45 is a quality polyuretane sealant adhesive which is used for various metal to metal, metal to glass bonding applications. It's flexibility and durability make it ideal for use in a variety of automotive & marine applications.

- Windshield bonding
- Bus body works
- Construction expansion joints
- Runways and roads expansion joints
- Marine works

### Colours Available:

Black

25 Pcs  
Box 300ml

## GREE EXPANSION PU FOAMS

### R-9 STRAW & GUN GRADE

GREE R9 Expansion PU foam spray is a high-quality, one-component polyurethane foam that is specifically designed for filling gaps, cracks, and cavities in construction and building applications. The foam expands when applied, filling the space completely and creating a strong and durable bond. It has excellent thermal and acoustical insulation properties.

- Installation of doors and windows
- Sealing gaps around pipes, cables and ducts
- Seam-filling between chimneys, roof protection, roof panels, and wall panels
- Filling of HVAC holes, rat holes etc.

12 Pcs  
Box 750ml

## GREE FR EXPANSION PU FOAM

### R-18 | B1 CLASS

GREE R18 FR Expansion PU foam spray is a high-quality, one-component polyurethane foam that is specifically designed for filling gaps, cracks, and cavities in construction and building applications. It has excellent thermal and acoustical insulation properties. It meets B1 Class Fire Retardant Ratings.

- Installation of doors and windows in industries
- Sealing gaps in high security vaults
- Seam-filling between chimneys, roof protection, roof panels, and wall panels
- Filling of HVAC holes, rat holes etc.

12 Pcs  
Box 750ml

## GREE PU FOAM ACCESSORIES

### FOAM CLEANER | R-27

GREE R27 is a multipurpose PU Foam & applicator cleaner used for removing uncured foams, cleaning nozzles and valves of the applicator gun.

12 Pcs  
Box 500ml

### APPLICATOR

GREE PU Foam Applicator is a heavy duty teflon coated gun. Ideal for gun grade PU Foam. Ergonomic design helps in easy to apply foam uniformly across the application.
